

Philad^b 12th Mo 3rd 1844

Dear friend

Send you two copies, one for W.L.G.
of my tract of which I am getting out 10,000 copies
to be circulated in this neighbourhood. What do you
think of it? Next number will contain with
other matter, the Declaration of Sentiments of the
National Soc. The 3rd Grant to have as much
as the West India experiment, as will go on
an ~~Octavo~~ ^{Concise} Who is there that you know would
get it up for me in a ^{short} time. The size of this tract
will not allow of any extra words, or of any
but primary arguments, statistics, &c.

I have read with very great satisfaction
the report of the Boston Female Soc. with
but few objections which need not be trouble-
atous.

Now that I am writing let me
ask how long is it considered necessary to
publish articles about the "stolen Emancipation".
Until the stolen property is restored? or until
these men publicly repeat other evil deeds?
Do let me know what are your strong reasons
for continuing this. It is weakening us very much
here & apparently to no advantage. Can it?
be given up with out a sacrifice of principle?

Let me know if
you will receive the
Circular in
his original
form.

We have not ten persons in our city to defend it. This would be enough if it were right. To me it appears questionable. What is the view taken of it by your Board, the American Board. Let us have your reasons for this course that we may be convinced by them or shew you error, as we want to act in harmony as far as we can. We have a very hard burden to carry just now saetho' we are willing to bear under a of duty-calls. We want to be relieved if it does not.

James & D. Mott have just returned from Wilmington Delaware where they were with their Earl. J. C. Mattae & C. C. Bulley holding one of an Anti S. convention. It was very interesting & passed off well, Father informed me. Your wth salute very truly
Eudard

Will you say a few words in defense to this this week? Is A. Phillips coming to our meeting to be held Dec 23rd 24th & 25th of the month in the city? Do get him to do if he will let me know it at once.
